recreational sports

partying!!

Nap Room

activism for your passions

First People's House and Student workshops

working on campus

The Women's Centre

Who are the People on Campus?

in the places and interests you have identified

there are the students, the profs, and....

and what is the valued contribution they are making to the others, the group, or the event??

in the library, in the bookstore, at the gym, in clubs, entertaining, in research, in class, in group work, in politics, in groundskeeping, in hospitality, in administration....who are the people?
